HERE ARE SOME TIPS WHEN ORDERING

We make picture day easy and convenient for parents! No more paper order forms, no more waiting weeks for pictures, and no more sending in checks with your child! Simply view your child's photos (and team/group photos) on your phone, tablet, or computer, apply your favorite photos to the products and packages you choose, and place your order. We'll ship directly to your doorstep. It's really that easy!

1. The following date is important: ADVANCE PAY DEADLINE. If you purchase an ADVANCE PAY CREDIT, you will receive 10% off of your order if you order by AUGUST 24TH.
2. If you purchase an ADVANCE PAY CREDIT, you must use this within 60 days of the purchase date or the credit will expire.
3. If you use the phone app, you will receive a text as soon as the images are ready to view and order. You also have the option to view and order on your computer. See the link above.
4. You will have the option to find your child's photos 1 of 3 ways: ALL PHOTOS (TAKEN AT THE EVENT), TAGS (GROUPED BY TEAM/CLASS), OR FACE FIND (FACIAL RECOGNITION).
5. Click on the first image you want to order, then click BUY. This will display all packages and prints available to order. The packages are displayed first. Scroll past the packages to see all individual prints available to purchase.
6. This system allows you to order multiple poses within a package and within your order. Team/group images can be ordered just like an individual pose. The system does not differentiate between these. We recommend ordering a team/group no smaller than an 8x10.
7. **WARNING** - When an image is selected to order. crop marks will display. You can leave the cropping as is or change it. You are in control of the cropping. Be careful not to move or crop (the person or group) too close to the edge.
8. Individual poses are available to purchase digitally. Team/group are not available as digital images.
9. ALL SALES ARE FINAL. You are able to view all images prior to ordering.
